Annamalai University

In the early 1920s, to serve the downtrodden and to promote Tamil Literature, Rajah Sir S.R.M. Annamalai Chettiar founded Sri Minakshi College and Sri Minakshi Tamil College at Chidambaram. In 1928, Rajah Sir S. R. M. Annamalai Chettiar agreed with the local Government to handover the above said institution for establishing a University. Thus, on 01.01.1929 Annamalai University was established as per Annamalai University Act 1928 (Tamil Nadu Act 1 of 1929) amidst a rural environment serving all the disadvantaged districts of Tamil Nadu.

Subsequently, Annamalai University Act, 2013 (Tamil Nadu Act 20 of 2013), came into force from September 25, 2013, after obtaining the assent of His Excellency, the President of India. The Act of 2013 has been amended by enactment of Act No. 32 of 2021 to render the University as an affiliating University. Consequently the Colleges situated in the districts of Villupuram, Cuddalore, Kallakurichi and Mayiladuthurai have been affiliated to Annamalai University.

Accolades

Annamalai University, accredited with 'A+' Grade (3.38 CGPA) by **NAAC** in 2022, is one of India's largest public residential universities with 8 Faculties and 57 departments/centres/divisions of study. Sprawling over 950 Acres of land, the University does yeoman service in taking education to the door steps of the people who are otherwise far from access to centres of higher learning. The University has initiated several innovative teaching programmes over the years that are progressive & human resource centric; Offering 'current-cum-next-gen' academic and research programmes that are global & national in character. A systematic introduction of Learning Outcome Based Curricula (LOBE) that bear remarkable relevance to the UNO's Sustainable Development Goals (SDG) is the hall mark of Universities Curriculum design. Besides, Annamalai University has been a pioneer in distance education.

Research & Partnership

Annamalai University has a commendable track record in projects and publications and has been awarded the PURSE Programme by the Department of Science and Technology. Ten departments are supported by UGC-SAP, Ten by DST-FIST and two departments have attained the status of Centre of Advanced Study. Annamalai University has joint research and innovation partnerships with 24 institutions across the USA, Europe, Australia, Japan, and the UK. The list of partners includes prestigious institutes like Karolinska Institute, John Hopkins University, and University of Michigan amongst others. Though located in a rural environment the university is bringing out high quality research and extension as reflected by higher citation related metrics and higher societal impact brought out by popular articles and news flashes.

There are several ongoing research projects in collaboration with international foundations and industrial players like Bill & Melinda Gates Foundation, United States Agency for International Development (USAID), Department of Science and Technology (DST), Department of Biotechnology (DBT), The Ministry of Environment and Forests (MoEF), Defense Research & Development Organization (DRDO) etc.,

Institutional Social Responsibility Activities of the University includes, Hospital on Wheels, Free Medical and Dental Camps in Villages, Lifestyle & Hygiene Awareness, Rural & Urban Health Centres through the Faculty of Medicine and Dentistry which is attached with a 1400 bedded hospital. The Faculty of Agriculture carries out extension activities like Agripreneurship Development Programme, Sustainable Livelihood Projects for Tsunami affected people and Training Farmers in Integrated Farming.

II. FACILITIES

University Library

University Canteen

Sports Pavilion

Hostels

The University Library, named after the eminent scholar, statesman and former Vice-Chancellor Dr. Sir C.P. Ramaswami Iyer, serves as knowledge hub for the students and the staff. Quite a good number of journals can be accessed through the Infonet facility. Major Online Journals and Database are subscribed through which 340 journals can be accessed.

The sports complex of the University spread over several acres, houses facilities for sports and games. Tennis court complex, basketball complex, volleyball complex, athletic standard track, cricket field & nets, football field, hockey field and a wooden floored indoor stadium are a few worth mentioning.

III. FIVE YEAR INTEGRATED POSTGRADUATE DEGREE PROGRAMMES

(Under Choice Based Credit System)

DEPARTMENT OF POPULATION STUDIES

Realizing the importance of imparting Population Education in this country, the University started a Centre for Population Studies in August 1976. Over the years, the Centre has helped in building a nucleus of Professionals in the field of population and health in India and various countries of the African Region. The Department for Population Studies functions in consonance with the National Policy of the Government of India, and the progress of the Department has made is commendable. To meet the growing demand for new innovative programs from the students, both Indian and International, five academic courses have been introduced in the Department. Since the inception of the Department, 51 Ph.Ds have been awarded and students from different countries of Asia and Africa have been trained at the Department. Many, who are trained at the Department, now occupy key positions in the field of Population and Health in Government of various countries, Universities and Research Institutes as well as in reputed National and International Organisations.

Highlights of the Programme

The curriculum and syllabus of the Programmes offered by the Department of Population Studies has been designed in accordance with the University Grants Commission, and other National and International renowned Population Sciences institutions. The programs enable the students to compete in various competitive examinations in India and to be posted in various International Organisations relating to Population and Health.

Programmes Offered
<ul style="list-style-type: none"> ◆ M.A. Population Studies (Two year programme) ◆ M.A. Population Studies (Five year programme) ◆ Ph.D. Population Studies
Job Opportunities
<ul style="list-style-type: none"> ◆ Colleges and Universities ◆ Research Institutes [Project Officer, Research Officer, Research Assistant, Field Investigator, etc.] ◆ United Nations and International Organizations relating to Population and Health [Programme Officer, Project Coordinator] ◆ Census of India, National Sample Survey Organization (NSSO) [Statistical Investigator, Statistical Assistant Social Scientist, State Demographer, Family Planning Educator]
Thrust Areas of Research
<ul style="list-style-type: none"> ◆ Reproductive and Child Health ◆ Adolescent Health ◆ Sexuality ◆ Population Ageing ◆ Migration and HIV / AIDS ◆ Gender Equality and Women Empowerment

FACULTY OF SCIENCE
DEPARTMENT OF BIOCHEMISTRY AND BIOTECHNOLOGY
(UGC-SAP and DST-FIST Supported)

Right from its inception in 1994, the Department of Biochemistry and Biotechnology has continuously strived for excellence in both teaching and research. The department is dedicated to providing a strong foundation in Biochemistry, Molecular Biology, and Biotechnology. The faculty are engaged in research projects that involve unravelling the molecular mechanisms of diseases such as cancer and diabetes and developing preventive and therapeutic strategies. The dynamic and vibrant research focus of the department is reflected by publications, awards, wide spectrum of global collaborations, scopus rating, and generous funding from national and international agencies. The alumni of the department are well placed in India and abroad in Universities, Colleges, and Research and Development Organizations.

Programmes Offered	Programme Highlights
<ul style="list-style-type: none"> ◆ M.Sc. Biochemistry (2 year) ◆ M.Sc. Biotechnology (2 year) ◆ M.Sc. DEPARTMENT OF EARTH SCIENCES

(DST-FIST Supported)

The Department of Earth Sciences (Estd. in 1953) is dedicated to teaching and research in various fields of Earth Sciences. Over the past seven decades, the department has strived to maintain its multidisciplinary approach by applying the concepts of Geology for propagating knowledge and developing skill in the field of Geology, Exploration and Utilization of Natural Resources with an emphasis for management, conservation and preservation. The research programmes are funded by DST, UGC, ISRO, MOES, MOEF, CSIR and BRNS. The Department is supported by DST-FIST Programme. The academic and research contributions of the department are recognised by national and international organisations and are evidenced by high quality original research publications. The alumni of the department are adorning higher position in the field of Geosciences in India and abroad.

Programmes Offered	
♦ M.Sc. Geology (5-Year)	♦ Ph.D. Geology ♦ Ph.D. Applied Geology ♦ Ph.D. Geoinformatics
Highlights of Programmes	
♦ The curriculum is designed in accordance with the various competitive exams like CSIR-UGC, UPSC, ONGC, GSI and GATE, etc., ♦ Training on Field mapping techniques for different Geological Terrains. ♦ Short Geological field Visits & 15 days industrial/ in-plant Training ♦ Individual project work in the final semester of their choice	

Salient Features

- ♦ Well-equipped optics lab with individual microscope for each students, GIS lab, Remote Sensing, Hyper spectral lab, Sedimentology lab, Geochemistry lab, Museum and more ...
- ♦ Instrumental Facilities: Laser Beam Particle Size Analyzer, Fluxgate Magnetometer, Ion Chromatograph, Gas Chromatograph, TOC, Spectrophotometer, Resistivity meter, Spectro radio meter EDXRF and more....
- ♦ Conference Hall and Department Library
- ♦ Research Labs and Wi-Fi enabled Computer Labs

Job Opportunities

Plenty of job opportunities in Government and private sectors like: PWD, TWAD, TAMIN, State Geology Department, Metro Water, GSI, ONGC, Coal India, NLCIL, NMDC, NRSA, ISRO, Private Mines and Quarry, Oil Companies – Mud logging, Colleges & Universities, Mining and Mineral Exploration companies, Central and State Ground Water Departments, Research Opportunities in India & Abroad, etc.

DEPARTMENT OF COMPUTER AND INFORMATION SCIENCE

The Department of Computer and Information Science was established in 2015 and is functioning under the Faculty of Science. The Department offers Post Graduate, Five Year Integrated, and Doctoral Programmes. The two year MCA programme was accredited with AICTE approval from the academic year 2024-25. It currently imparts teaching, training and cutting-edge computing technology to the students scholars and enabling them to keep abreast with a focus on day-to-day scientific and technical advances.

The Department inspires the students and scholars to involve themselves in innovative projects, in-plant training, internships, workshops, special features and quality research in various interrelated domains. The students are prepared with multi-skill sets encompassing all the requirements, which makes them employable. The final year and pre-final year students are trained with special lectures, soft-skill training and group discussion. The students from the departments get into the various IT industries through On-Campus placements. The alumni of this department working in various IT industries across the world support the department's developments and activities.

Programmes Offered	Salient Features
