

**Two days Workshop on "Basics of Networking and Web Design"
23-02-2023 & 24-02-2023**

Annamalai Digital Information Centre (ADIC), Annamalai University organized the University sponsored Two days National Workshop on “Basics of Networking and Web Design on 23-02-2023 & 24-02-2023 for the in house teaching, technical and administrative staff of the University.

The inaugural function of this workshop was held at Hi-Tech Hall, Kumararaja Muthiah Chettair Building, (TECH Park). The Director of Annamalai Digital Information Centre (ADIC) Dr. T. S. Subashini welcomed the gathering. The Dean, Faculty of Science Dr. V. Ramasamy inaugurated the Workshop and elaborated the necessity of such training programmes in his inaugural address. He congratulated the ADIC team and appreciated their efforts in organizing this workshop. Mr. S. Karthik, Technical Head, Sapphire Solutions, Coimbatore delivered the chief guest address. Subsequently he gave the keynote address in the first session of the workshop. He clearly explained the components of Campus networking starting from servers, switches, OFC laying and firewalls. He also elaborated on issues related to network security, cyber attack etc.

90 participants form different departments and sections of the university registered for this workshop. The coordinators of this workshop, Dr. K. VADIVAZHAGAN, Dy. Director, ADIC, Mr. G. RAMPRABHU, Dy. Director, ADIC and Mr. K. ANANDASITHAN, in-charge of campus network centre, ADIC made all the arrangements. Mr. K. ANANDASITHAN outlined the theme of the two day workshop and finally Dr. K. VADIVAZHAGAN proposed the vote of tanks.

ANNAMALAI UNIVERSITY

Annamalainagar-608002

About The University

Annamalai University with a sprawling campus of nearly 1000 acres is one of the largest Universities in Southern Asia comprising of 10 Faculties and 49 departments of study located at Chidambaram, The Adobe of the Cosmic Dancer Lord Nataraja.

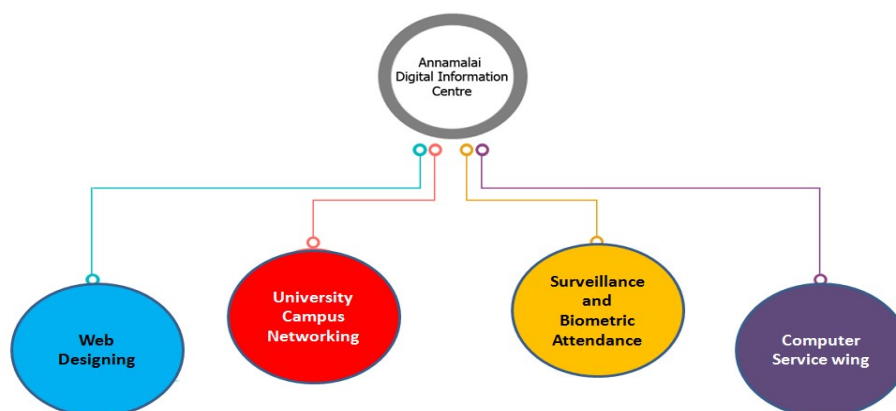

In the early 1920s, to serve the downtrodden and to promote Tamil Literature, Rajah Sir S. R. M. Annamalai Chettiar founded Sri Minakshi College, Sri Minakshi Tamil College and Sri Minakshi Sanskrit College in a rural setup at Chidambaram. In 1928, Rajah Sir S. R. M. Annamalai Chettiar agreed with the local Government to handover the above said institution for establishing a University. Thus, on 01.01.1929 Annamalai University was established as per Annamalai University Act 1928 (Tamil Nadu Act 1 of 1929). Ever since its establishment, Annamalai University has played an incredible role in the lives of the people near and far. In 2013, the Annamalai University Act, 2013 (Tamil Nadu Act 20 of 2013), was passed and has come into force from September 25, 2013. Annamalai University, a “university” in the true sense of the term, has been sustaining a unified ecosystem of education – by offering various programmes under one roof. Being a unitary, multi-faculty institution, Annamalai University has evolved as a time-tested system of administration to ensure the ceaseless transaction of teaching-learning, boundless expansion of research and innovation, and selfless extension of service to the society.

Availability of ten diverse disciplines and 49 departments of study along with sports pavilion, gymnasiums, libraries, yoga/meditation halls, ensures a fertile ground and favourable climate for learners to become all rounded and competent individuals rather than mere “programmed specialists”

Annamalai University is accredited with ‘A+’ Grade by NAAC in 2022

About Annamalai Digital Information Centre (ADIC)

Annamalai Digital Information Centre, ADIC, is a hub of ICT activities. The Centre, established in 2013 with an objective to serve as the data repository of the University, has **four strategic units** enabling the centre to carry out multi pronged operations with efficacy.

The other activities undertaken are:

- ADIC plays a pivotal part in providing technical support in automation of the counseling process for admission into professional courses through in-house developed, time tested software.
- It serves as an advisory for the procurement of systems, servers, printers and other equipment.

About The Workshop

The two day workshop provides insights on two aspects namely basics of networking and web design.

1. The Campus Network Centre of ADIC caters to the networking across the University. The team ensures seamless connectivity through robust wired and wireless network. A network promotes administrative efficiency by providing access to institutional data, allowing better decision making, improving productivity, and facilitating reengineering of operational processes. The campus network has been expanded exponentially over the last few years and most of the university staff have started using it on a daily basis.
 - **This workshop aims at providing sensitization on how to connect to the University's intra and internet or Wifi with ease and also some basic troubleshooting tips instead of relying on the network personnel for simple hiccups.**
2. The Web Designing Unit of ADIC is responsible for development, design and maintenance of the University Website. A dedicated team of Web Managers manage, maintain and update the Website which is developed in-house. Electronic payments are becoming a seamless, fast and simple way for making payments today. This means public need to start using the latest technology to be in tandem with the evolving society. Also, it can save your time and costs.
 - **This workshop also aims at educating the University staff to effectively use the University website to download various forms and to access necessary data from the university database. Also hands on training will be provided to create personal website starting from design to registration. Basics on E-payment methodologies will also be provided.**

Who can Register

Teaching, Technical and Administrative staff of various Sections and Faculty Departments of Annamalai University who needs basic knowledge to connect to the University's intra and inter networking, Wifi with ease and those who like to navigate the University website for day to day institutional activities and to create one's own personal webpage.

Maximum of 60 participants will be selected on the first come first serve basis

Whom to Contact:

1. **Dr. K. VADIVAZHAGAN (9994580854)**
2. **Mr. G. RAMPRABHU (9894064130)**
