(Accredited with 'A+' Grade by NAAC)

Annamalai Nagar – 608 002

DEPARTMENT OF POPULATION STUDIES

Jointly Organizing with

INDIAN ASSOCIATION OF PARLIAMENTARIANS ON POPULATION AND DEVELOPMENT (IAPPD)

*10th Annual Sat Paul Mittal National Inter-College And Inter-University
Debate Competition 2026*

The topic for National Level Debate Competition:

**PRESENT EDUCATION SYSTEM IS CONDUCTIVE TO DEVELOPING
SOUND MENTAL HEALTH OF THE YOUTH**

About the topic:

The modern education system is increasingly evolving into a proactive, holistic framework that fosters positive mental health through integrated well-being curricula, social-emotional learning, and supportive environments. By focusing on resilience, mindfulness, and peer mentoring, the current system nurtures comprehensive student growth beyond academics, promoting psychological well-being. While traditional, high-stakes academic pressure persists, modern, holistic frameworks increasingly integrate emotional well-being through counsellors, life skills training, and reduced stigma. However, excessive competition and stress remain, necessitating a move toward more supportive environments.

INTER-COLLEGE & INTRA-UNIVERSITY COMPETITION

It is proposed to conduct a team-wise debate competition on "PRESENT EDUCATION SYSTEM IS CONDUCTIVE TO DEVELOPING SOUND MENTAL HEALTH OF THE YOUTH". Each team will consist of two participants (one Speaking 'for' and one 'against' the motion). It is Requested that each college or university department should send at least one team (two students), however, there is no restriction on number of teams.

Date: 11-02-2026

Time: 11.00 a.m.

Venue: Department of Population Studies,
Annamalai University

PRIZE DETAILS AT INTER-COLLEGE LEVEL:
