

Undertaking by the Student for Exemption from the Eighth Semester Theory Courses

I, _____, a final year B.E. _____ student in the Department of Computer Science and Engineering, Faculty of Engineering and Technology hereby confirm that I have completed two SWAYAM/NPTEL courses and seek exemption from choosing the two final semester theory courses in the University Curriculum.

I consent to apply for credit transfer to the CoE, Annamalai University.

I am aware that I need not attend the two elective courses of the eighth semester, if permitted, but have to attend the weekly project seminar classes.

I assure that I shall maintain the required attendance as per the University norms and completely owe the responsibility for the consequences that may arise in case of any attendance deficiency.

I confirm that I have informed my parents about the exemption of the two final semester theory courses and regarding the attendance requirement to attend the project viva-voce examination at the end of the semester.

Further, I declare that neither the Department nor the University is liable for any incident that may be caused due to my negligence or intentional/unintentional act.
