FACULTY OF ENGINEERING AND TECHNOLOGY

GENERAL REPORT

Highlights of the Year

Starting of New Programmes

Three Post Graduate Programmes namely M.E. (Construction Engineering & Management), M.Tech. (Food Processing Technology) and M.Tech. (Industrial Biotechnology) were started.

Two P.G. Diploma Programmes namely “P.G. Diploma in Promoting National Drug Use” and “P.G. Diploma in Pharmacy Practice and drug store management” were also started through DDE.

Conferment of Ph.D.

Nine teachers of this faculty have acquired Ph.D. during this year.

Meeting on “Exposure to grants funding”

A meeting on “Exposure to grants funding” was organized to benefit the teachers of this faculty. The sources of funding, schemes available and the details of the schemes were outlined by the speakers.

Platinum Jubilee Exhibition

Platinum Jubilee Exhibition of the University was conducted from 23rd August 2004 to 5th September 2004 in Engineering College premises. Prof. B. Palaniappan, Dean, was the Convener of the Committee. Two lakh people have visited the exhibition.

1) Placement and Training Cell

Dr.K.Raghukandan, Professor, Department of Manufacturing Engineering, Annamalai University assumed additional charge as Co-ordinator, Placement & Training Cell, Faculty of Engineering & Technology, Annamalai University, on 15th September, 2004.

Regular meetings with the student secretaries of all departments of the Faculty of Engineering & Technology were organized. For the undergraduate students the meetings were held on the 1st and 3rd Mondays of every month, while for the post-graduates the meetings were held on 1st and 3rd Tuesdays of every month. Emergency meetings were also conducted, prior to the interview schedules to prepare them for campus recruitment programmes.

Meetings with all the final year and pre-final year students were conducted to educate them of the intricacies involved in the recruitment programmes and the expectations of the companies. Most of the companies insist on 60% or equivalent marks throughout the educational career of the students (beginning from 10th standard), in addition to all-subjects-cleared-in- first- attempt criterion. Efforts are made to impart training to the students on communication skills.

Special programmes are planned on “Education Abroad” for post-graduate studies in countries abroad (tentatively on 8th Jan, 2005) and also for special training programmes by professional Human Resources Trainers

Placement & Training Cell conducted various Campus Recruitment Programmes for the year 2004-2005 for the Faculty of Engineering & Technology.

This year twelve students have been offered appointments during on-campus and off-campus recruitment programmes.

The cell contacts Public and Private Sector, industries for providing in-plant trainings in their organizations to the students during winter / summer vacations.

In addition the cell provides information about passed out students to the organisations when contacted.

Triune Celebrations

On the occasion of Triune function celebrations, our University had organized multifaculty exhibition at the Faculty of Engineering & Technology, Annamalai University, Annamalainagar from 21.08.04 to 05.09.04. The Faculty of Agriculture participated in an unequivocal manner to exhibit a variety of its technological achievements addressing the needs of the farming communities, school children and the general public. The students, teaching and non-teaching staff members greatly involved in preparing the exhibition and in explaining the various activities of the Faculty to the visitors. Faculty of Agriculture organized three tractor mounted illuminated floats carrying rally models and tableaux depicting innovative technologies in Agriculture to create an awareness among the public on the recent developments in Farming and to focus on the interesting facets of Agriculture Science and the glorious accomplishments made by the Faculty of Agriculture in crop and Animal Husbandry and also in promoting eco-friendly agro-techniques. All the floats were beautifully decorated with ornamental crops, serial lights and focus lamps. The sides of the floats were covered with digital banners depicting the theme of the floats.

In the rally past, 27 students of Faculty of Agriculture participated in the March past. Sixteen male students clad in green colour T-shirts, symbolic of greening of globe by agriculturalists and nine girls dressed in different colourful costumes imitating the dressing pattern followed by the peoples of different states of our country and two students, disguising themselves as ducks made the procession richly entertaining which greatly attracted the attention of our revered Pro-Chancellor and beloved Vice-Chancellor and also scores of distinguished guests. Dr. A. Eswaran, Reader in Plant Pathology, Dr. S. Vigil Anbiah, Lecturer in Animal Husbandry and G. Bharathan, Lecturer in Agronomy helped the students in the conduct of rally past by students of Faculty of Agriculture.

The Vice-Chancellor constituted the Stage and Seating Arrangement Committee by appointing Dr. G. Kuppuswamy, Dean, Faculty of Agriculture as Convener of the Committee along with twenty seven members representing various Faculties of Studies and Administrative office to execute the work related to stage and seating arrangements for the Triune Celebrations. Wise counseling from our beloved Vice-Chancellor and deep involvement and dedication of the committee members and convenor at every stage greatly helped in excellent decoration of Shastri Hall (both front elevation and interior decoration) which was appreciated by our revered Pro-Chancellor and his family and our beloved Vice-Chancellor.

The student volunteers well clad befitting the occasion greatly helped the committee in decoration of Shastri Hall and in receiving the guests and conducting them to the seats earmarked for them.

An inaugural function and general orientation for the freshers of NSS of the Faculty of Agriculture was organized on 20.11.2004. Dr.A.Eswaran, Reader in Plant Pathology and Programme Officer Unit No.III welcomed the dignitaries and NSS volunteers. Dr. G. Kuppuswamy, Dean, Faculty of Agriculture presided over the function and inaugurated the NSS activities with very impressive and memorable inaugural address. Dr.Rm.Nachiappan, Prof. & Head, Department of Entomology conducted special orientation to NSS volunteers on Youth and Development. Dr.D.Ilangovan, Reader in Commerce and NSS Programme Co-ordinator conducted general orientation on concept and purpose of NSS. Dr.R.Singaravel, Reader in Soil Science & Agricultural Chemistry and Programme Officer, NSS Unit-XI delivered vote of thanks to the gathering of the function on that day.
