TWO DAYS WORKSHOP ON BASICS OF COMPUTER HARDWARE AND TROUBLESHOOTING

29th & 30th January 2024

Patron

Prof.RM.KATHIRESAN

Vice-Chancellor, Annamalai University

Co-Patron

Prof.R.SINGARAVEL

Registrar (i/c), Annamalai University

Convener

Dr.T.S.SUBASHINI

Professor of CSE & Director, ADIC

Coordinators

Dr.K.VADIVAZHAGAN

Assistant Professor of CIS

Mr.G.RAMPRAHU

Assistant Professor of ECE
Dy. Directors, ADIC

Co-Coordiators

Mr.R.SARAVANAN

Assistant Technical Officer

Mr.K.KABALEESWARAN

Assistant Technical Officer
Computer Service Wing, ADIC

Mr.K.ANANDASITHAN

Instructor Special Grade
Campus Networking, ADIC

Free Registration

Last date: 25-01-2024

ORGANISED BY

ANNAMALAI DIGITAL INFORMATION CENTRE (ADIC)

About The University

Annamalai University, one of the largest Universities in terms of disciplinary diversity and student enrolment, is also one of the oldest universities in South India. Sprawling over a vast and sylvan campus of 1000 acres, the University houses about 50 Departments of Study under Eight Faculties. Founded by the legendary philanthropist and farsighted visionary, Rajah Sir Annamalai Chettiar in 1929, Annamalai University has played a key role in social, cultural, and economic uplift of the people across the rungs of society for nearly a century. Annamalai nagar, the University Town, is located just to the east of Chidambaram, the Abode of the Cosmic Dancer, Lord Nataraja.

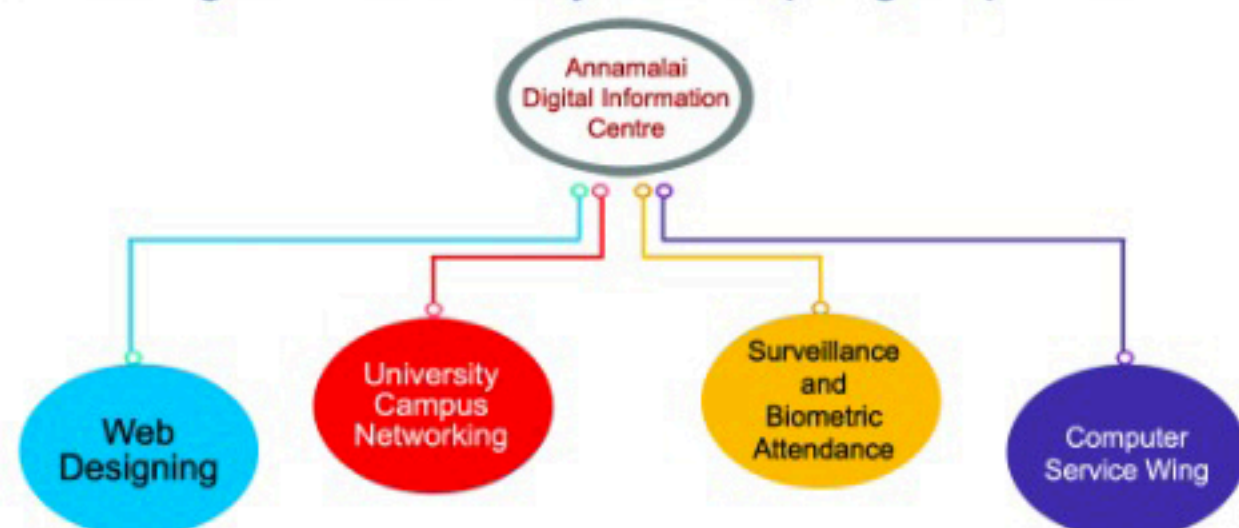

To serve the downtrodden and to promote Tamil Language and Literature, Rajah Sir S.RM.Annamalai Chettiar founded Sri Minakshi College, Sri Minakshi Tamil College and Sri Minakshi Sanskrit College at Chidambaram in the early 1920s. In 1928, Rajah Sir S. RM. Annamalai Chettiar agreed with the local Government to handover the above said institutions for establishing a University. Thus, on 01.01.1929 Annamalai University came into existence as the first-ever to have been founded by a private philanthropist. Ever since its establishment, Annamalai University has played an incredible role in the lives of the people near and far. Until 2013, the University was governed by the Annamalai University Act, 1928. In 2013, the Annamalai University Act, 2013 (Tamil Nadu Act 20 of 2013), was passed and has come into force from September 25, 2013. The University, which remained "unitary" in status until 2021, was made an "affiliating" one with Mayiladuthurai, Cuddalore, Villuppuram, and Kallakurichi districts as its jurisdiction and 81 colleges are affiliated to the University now.

Annamalai University, a "university" in the true sense of the term, has been sustaining a unified ecosystem of education by offering diverse programmes under one roof. Being multi-faculty institution, Annamalai University has evolved as a time-tested system of administration to ensure the ceaseless transaction of teaching-learning, boundless expansion of research and innovation, and selfless extension of service to the society. Availability of diverse disciplines of study along with sports pavilion, gymnasiums, libraries, yoga/meditation halls, the University ensures a fertile ground and favourable climate for learners to become all rounded and competent individuals rather than mere "programmed specialists".

Annamalai University has also been a forerunner in making education accessible to countless citizens through distance education mode. All the programmes offered in by the Directorate of Distance education (DDE) are approved and accredited by the Distance Education Bureau (DEB). The on-campus programmes are duly approved/accredited by the competent bodies such as NAAC, NBA, AICTE, NCTE, ICAR, etc. In 2022, the University is accredited with 'A+' Grade by NAAC in the fourth cycle of accreditation.

About Annamalai Digital Information Centre (ADIC)

Annamalai Digital Information Centre, ADIC, is a hub of ICT activities. The Centre, established in 2013 with an objective to serve as the data repository of the University, has four strategic units enabling the centre to carry out multi pronged operations with efficacy.

About ADIC- Computer Service wing

The Computer Service Wing of the ADIC caters to the service demands of the computers on campus. With a fully equipped testing facility, they carry out troubleshooting of the systems on both software and hardware fronts. In addition the unit maintains the servers on the campus.

About the Workshop

The workshop is intended to provide opportunity for the in house staff to gain knowledge in the areas of computer hardware, fault diagnosis, basic troubleshooting and networking.

Topics to be Covered

- ▶ **Internal computer components:** In this module, participants will learn about internal computer components and how to troubleshoot them.
- ▶ **Multifunction devices and printers:** In this module, participants will learn about multifunction devices and printers and how to maintain and troubleshoot them.
- ▶ **Networking and storage devices :** In this module, participants will learn about networking and storage devices and how to troubleshoot them.
